

2017 Summer Adventure Daycamp Themes

Week 1- Aloha To Summer- Start your summer off with a BANG! Join us for a week of getting to know you games and fun activities. We will have a hula hoop contest, limbo competition and a beach dance party. It's a great way to kick off summer and meet new friends.

Week 2- Medieval Times- Kids will be transported back in time to medieval Spain. The children will learn about the middle ages, create crowns, swords, and master the skill of archery. To end their adventure the children will enjoy a classic medieval fest.

Week 3- Farming in Iowa – The kids will have fun learning about gardening and farming in Iowa. The kids will plant seeds, watch them grow, and prepare homemade salsa. Planting a garden allows for team building, promotes communication skills, and teaches responsibility.

Week 4- Outdoor Fun- Grab your sunscreen and join us for a week of fun outdoor games and activities. The week will include kickball tournaments, four square showdowns, sidewalk chalk activities, and water games.

Week 5- Freedom Fest- Come celebrate the greatest country in the world, USA!! We will spend the week making patriotic crafts and playing fun games, all while supporting the Red, White & Blue.

Week 6- The Secret Life Of Pets- Get ready for a fun week of special "pet" guests visiting KidsPoint. Children will learn the skills needed to take care of animals along with many fun pet themed crafts and activities.

Week 7- Pokemon Showdown- Get ready for a fun week of games and challenges. The kids will earn Pokemon points for team spirit, sportsmanship, trivia skills, and participation. We will play many outdoor games along with game shows like Family Feud, Disney Jeopardy and Lip Sync Battle. Children will also be building Pokemon habitats and playing a game of capture the Pokemon.

Week 8- Lightening, Lava, & Landslides- The kids will transform into young meteorologist and learn about weather patterns, how lightening is created, volcano eruptions, hurricanes, tornadoes, and winter storms.

Week 9- Inventions & Inventors- CALLING ALL INVENTORS! Kids will spend the week preparing inventions and business ideas to a member of our "Casting Team" just like you would as if you were on the show "Shark Tank". The kids will also learn about past inventors and how their inventions changed the world.

Week 10- Spirit Week- We've got spirit, yes we do, we've got spirit, how 'bout you? Enjoy a week full of fun themed activities including crazy hair day, hat day, backwards day, costume day, pajama day, and colors day! We will end the summer with our annual family picnic.

Week 11- Post Camp – Pinterst Week – Post camp is all about the DIY activities. Children will choose from a variety of extended projects to work on throughout the week.
